Cranes, Bucket Trucks, and Aerial Lifts Designed for Electrical & Utility Contractors

National Crane Boom Trucks

- **Powerful** – Crane capacities from 10 tons to 60 tons
- **Uptime** – Backed by Runnion Equipment's \$1,000,000 parts inventory, our factory-trained technicians keep you working
- **Flexible** – Add attachments such as two-person baskets, augers, and jibs

Dur-A-Lift Bucket Trucks

- **Versatile** – Insulated and non-insulated units available with working heights from 34' to 67'
- **Rental Fleet** – ANSI and DOT certified ready to go to work

Elliott Hi-Reach Aerial Work Trucks

- **Working Heights** – Work 140' in the air without a jib or test weights
- **Auger Units** – Up to 20,000 ft-lb of torque and 36" flighting available
- **Office in the Sky** – Air and electric, welding leads, work lights, in-basket jibs, and more.

Palfinger Knuckle Boom Cranes

- **Customizable**—Multiple configurations and boom lengths designed for your job
- **Flexible**—Non-CDL units available
